

Profile 2026

To: ALL AHNS NINTH, TENTH AND ELEVENTH GRADERS ☺
From: 2026 Yearbook Staff

September 20, 2025

Dear AHN Students & Parents,

This memo is a reminder that major plans are underway for the 2026 yearbook. The book promises to be very exciting and the staff is already adding their own special touches! Profile 2026 promises to be very creative and unique.

We need your help! Producing a yearbook is a major financial undertaking. Each senior will help provide most of the funding for the book by selling ads, but our goal is to obtain 100% sales from the rest of the AHN family. By purchasing Profile 2026 for \$60.00, you will help us reach our goal and receive a yearbook filled with memories.

Ordering a yearbook is simple, but it must be done during the next several weeks. Unfortunately, we cannot order books that are not paid for, and we cannot guarantee that there will be extra copies available. Please take the time to fill out the form below and bring this with your payment to school between September 25, 2025 - October 25, 2025 The yearbook editors will be collecting orders in the front lobby after announcements during homeroom.

Thank you for your support and please do not hesitate to offer us your suggestions or to ask any questions.

Sincerely,

Mrs. Danielle LeBuis-Koenig & Ms. Emily Rauch, Moderators
Allie Santilli, Editor-in-Chief and the 2026 Staff
