

ACADEMY OF THE HOLY NAMES

Dear Holy Names Community,

August 2025

It is hard to believe another fiscal year has ended. Our goals for 2024-25, as directed by our [Strategic Plan](#), guided our work and helped us achieve success on behalf of the school. Our work would not be possible without the support and generosity of our entire community.

On behalf of Institutional Advancement, I would like to extend our heartfelt thanks. Your gifts play a vital role in helping us provide a high-quality education and enriching experiences for every student.

Because of your support, we were able to:

- Provide teacher funding for arts education materials
- Build a new dance studio and programming
- Complete the fitness center and upgrades to the cardio room
- Repair and resurface the tennis courts
- Help fund athletic teams and equipment
- Help fund the student experience: trips, service, and traditions
- Support academic programming
- Raise funds for scholarships and the [Partners in Education](#) Program
- Support faculty appreciation
- Help fund operational needs of the school beyond the support of tuition and fees

Your commitment to our school's mission directly impacts the lives of our students. We deeply appreciate your partnership which reminds us that we are not alone in our efforts to provide for the next generation of students — we are surrounded by a community that truly cares.

Thank you for your support and for saying “yes” when we ask for your help in keeping the momentum going to create a bright future for Holy Names.

With sincere gratitude,

Kristin Vivian
